

ST PETER'S • CAMBRIDGE
NEW ZEALAND

*Investing in the future
Honouring the past*

CONTINUING THE ST PETER'S TRADITION

St Peter's School was founded by the forward-thinking Arthur Francis Broadhurst in 1936, and we continue to write our history every day.

Scotsman Broadhurst's vision was to establish a preparatory school for boys in a unique environment – an environment which he found in the rural surroundings of Cambridge, New Zealand.

Since the school's beginnings with 37 boy boarders in 1936, St Peter's has grown to a roll of over 1,000 day and boarding students, boys and girls, in Years 7 to 13.

The expansion of both the school roll and our extensive facilities has been made possible by the on-going generosity of parents, alumni and supporters of the school.

CHAIRMAN'S MESSAGE

Back in 2000 the St Peter's School Trust Board had the foresight to form a Foundation and invited me and interested supporters to assist. The Foundation was established to create a capital sum that could assist to ensure St Peter's would always have the ability to remain an independent school. To achieve this we work closely with the St Peter's Trust Board, staff, alumni and parents association.

Over the years we have built a sizeable capital sum and, as our aims state, assisted the school with the income it produces. We have also been involved in raising funds for capital projects like the swimming pools and new Junior Block.

The reason I agreed to come on to the Foundation, and have remained on it since, is that I believe the school offers outstanding opportunities for the all-round education of those who attend. The school was founded in 1936 thanks to the generosity of Arthur Broadhurst and continued to grow because of the generosity, both in time and money, of those who have followed.

The Foundation is a way for anyone who is able to donate to help ensure that growth and tradition remain. I would urge you to consider joining and assisting us.

Neil McLaughlin, Chairman

NEW LEVELS OF GIVING

1936 Club

The 1936 Club is an easy way to support St Peter's by donating an amount that is the same as the year the school was founded. This in turn benefits the school by providing a steady and predictable stream of income each year.

We invite members to donate \$1,936 per year which, like other donations, can be spread in instalments throughout the year. The 1936 Club is open to everyone to join: people with connections to St Peter's as well as the wider community.

In return, new members receive invitations to some ticketed events throughout the year as well as information on the school.

1936 members will eventually attain each membership level within the Foundation by continuing to gift \$1,936 for a number of years.

Friends of St Peter's

Do you want to be a friend of St Peter's School? By gifting \$25 or more per year you can become part of the Foundation and know that your donation - no matter how big or small - is making a difference for the children that attend St Peter's. Accumulated donations qualify for Associate or Full Membership.

Making it easy

All you have to do is contact the School Foundation via the St Peter's communications team by e-mailing foundation@stpeters.school.nz or calling 07 827 9684 and we can help make this happen.
